

SecuredRoom

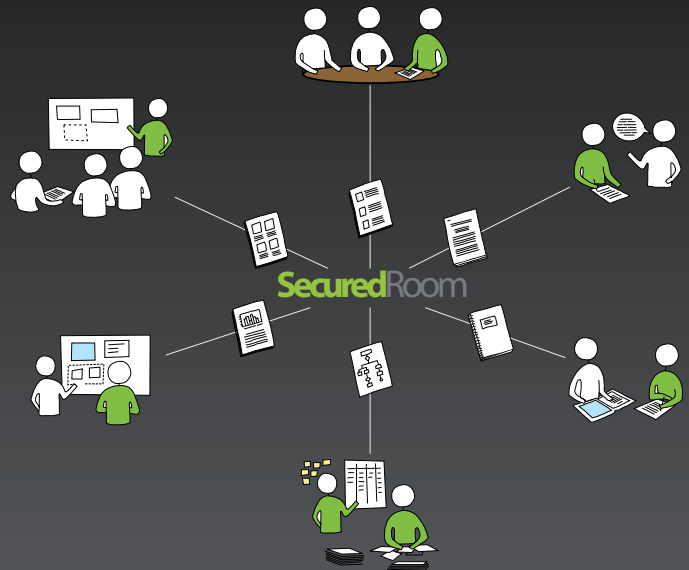

confidential meeting environment

SecuredRoom

"The right information for the right people at the right time."

BEFORE

AFTER

Benefits

Information availability

1. Access from anywhere (with internet connection)
2. Easy to adopt
3. Versatile and efficient search functions

Improvement of time use efficiency

1. Faster project completion times
2. Re-allocation of freed resources
3. Shared calendar for all the parties involved

Minimizing risks

1. Access to information only for those concerned
2. Critical information stored centrally in one place
3. Data transfer security with SSL2

Interactivity

1. Possibility for commenting documents
2. Discussions, also one-on-one basis
3. Questions and answers

Audit trail

1. Who has read, what and when
2. Latest versions always available
3. Automated archiving

Ease of use

1. Ready to use within a day
2. No need for special computer skills
3. Contract case-by-case, fixed term or continuous
